Sir,

* Encroachment - Railway land - M & S.M.Ry. Company Ltd - Bellary Taluk and village S.Nos. 432/4 A (Portion) and 431/A (Portion) by the Police Department - Report.

Spare Copies .....

During the course of a Joint verification and resurvey of Railway lands in the Bellary District by a surveyor of the Railway Department it was noticed that the five blocks of the reserve Police Quarters and side drain and soak pit formed encroachments in the Railway Poramboke permanent lands as noted below:-

		Acs.
S.No. 432/4A	(Portion)	1.24
431/A	"	0.02
Total.		Ac. 1.26

2. The encroachments pertaining to the quarters and the side drain were evidently made at the time of the construction of the buildings without knowing the correct limits of the Railway land. As regards the soak pit the District Superintendent of Police says that the locality was over grown with prickly pear and the Railway demarcation stone was not visible at that time.

3. As the Railway authorities had no objection to surrender the portion in favour of the Police Department, the lands were formally taken over by the Revenue Department on 2nd December 1933 for being transferred to the Police Department, as desired by the Agent, M & S.M. Railway Company who

2

asks for the necessary credit being afforded to the capital account of the Railway.

4. Under rule 5 II of the Secretary of State's Land Transfer Rules the market value of the lands at the time when the Police Department occupied them, will have to be credited to the capital account of the Railway. The lands were valued at Rs.100/- per acre at the time of encroachment and the total value of the lands viz Rs.126/- will have to be met from the allotment under "26 Police - Reserved - District Executive Force - District Police - Voted - Other supplies and sources - Other petty supplies". in accordance with Article 235 of the M.F. & Account Code Volume I. I submit the case for orders of Government under paragraph 4 (3) of B.S.O. 91 and request that Government be pleased to accord formal sanction for the transfer of the lands from the Railway administration and to arrange for the sanction of the necessary allotment under "26 Police etc " to meet the market value of the lands.

5. A plan showing the portion of land surrendered is enclosed for reference and return.
